Serum
#E8030S

SECTION 1 - PRODUCT

Product Name: Anti-MBP Antiserum

SECTION 2- CHEMICAL INFORMATION

1. Rabbit Serum Mixture

SECTION 2- HAZARDOUS INFORMATION

NEB is not aware of any hazards for this product.

This antiserum is prepared from rabbits that have been certified free of infectious agents in a Specific Pathogen Free colony, maintained by a facility that is accredited by the American Association for the Accreditation of Laboratory Animal Care-International and is routinely inspected by the United States Department of Agriculture and the Massachusetts Department of Public Health.

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide.

New England Biolabs shall not be held liable for any damage resulting from handling or from contact with the above product.
